International Workers‘ Olympiads 1925 - 1937

The SASI organized International Workers‘ Olympiads (Summer and Winter) between 1925 - 1937.
Central goal of all achievements of the SASI was sports to the working people in general, also at the Olympiads. The contest was accepted, but the record-breaking striving was decidedly rejected.
In contrast to the IOC Olympics no national flags were used, only the red flag, as sign of internationalism, solidarity and peace.
The 9th congress in Bruxelles 1938 May 26-30, awarded the 4th Workers' Olympiad in 1943 to the Finnish TUL, which did not place.

1st Winter Olympiad 1925, Jan 31 - Feb 02 in Schreiberhau (today Szklarska Poręba) GER

The competitions took place with athletes from 4 SASI members: ATU (=German federation in TCH), AUT, FIN and GER.
